OUR OBJECTIVES

To ensure the happiness and well-being of the children at the crèche

To ensure their harmonious development

To promote their socialisation and their independence

OUR TOOLS

WELCOME IN THE SPIRIT OF DIVERSITY

- Progressive adaptation of the children at the crèche
- Welcoming the children with an open mind and flexibility
- Respect towards individuals, cultures and languages
- Integration of children with special needs

SECURITY

- Appropriate, welcoming and safe environment
- Putting his comforter/dummy at the child's disposal according to his needs
- Explain and verbalise all events and care provided

HEALTH

- Healthy and varied seasonal food preferably from local/regional sources
- Playing outside every day when the weather permits
- Medical and psychomotor follow-up of the children

INDIVIDUALITY

- Respect the biological rhythm of every child in the group
- Respect their rhythm of learning

FREEDOM

- Every child has the right to accept or refuse a certain activity or food
- Freedom of movement / mobility

RESPECT

- Calling each child by his first name
- Exclusion of verbal and physical violence
- Speaking to the child at his/her own level
- Treating every child equally

CO-OPERATION

- Co-operation within the team
- Placing the family at the centre of the children's lives
- Continuous exchange and dialogue with the parents in mutual respect
- Co-operation with our specialists (nurses, paediatrician and psychomotor specialist)
